## About Me

I am a motivated Biomedical Technology undergraduate at Gampaha Wickramarachchi University of Indigenous Medicine, passionate about biomedical instrumentation, healthcare technology, and web development. I combine academic knowledge of biomedical instruments with programming skills to create interactive applications and solutions for healthcare.

## Skills

- Biomedical Instrumentation
- Medical Equipment Maintenance
- Laboratory Techniques
- HTML, CSS, JavaScript
- Python Programming
- Data Analysis & Documentation

## Education

Bachelor of Health Science in Biomedical Technology

***Gampaha Wickramarachchi University of Indigenous Medicine, Sri Lanka***

- Specialization in Biomedical Instrumentation and Healthcare Technology
- Learned medical device maintenance, laboratory techniques, and healthcare analytics

## Experience

### Biomedical Trainee

City Hospital, Gampaha, Sri Lanka | 2023 – Present

- Gained hands-on experience with biomedical instrumentation, medical equipment maintenance, and patient monitoring systems.
- Assisted in calibration, troubleshooting, and routine checks of clinical instruments.
- Worked in collaboration with hospital staff for safe and accurate operation of devices.

### Web Development Intern

Tech Solutions, Colombo, Sri Lanka | 2022 – 2023

- Assisted in building responsive websites and debugging front-end issues.
- Collaborated with designers and developers to create user-friendly interfaces.
